

## Read Only Journals - not included in the CARE-CRUI Transformative Agreement

Journal	Notes
1 AI for Science	Diamond partner journal launch - open for subs in 2025
2 Chinese Physics B	Partner Society subscription
3 Chinese Physics C	Partner Society subscription title (Some papers may be OA under SCOAP3)
4 Chinese Physics Letters	Partner Society subscription
5 Communications in Theoretical Physics	Partner Society subscription title
6 ECS Advances	Fees currently waived
7 ECS Meeting Abstracts	Extended abstracts of the technical papers presented at ECS meetings
8 ECS Sensors Plus	Fees currently waived
9 ECS Transactions	Conference proceedings journal closing in 2025
10 Environmental Research: Energy	gold journal currently offering universal APC waiver
11 Environmental Research: Food Systems	gold journal currently offering universal APC waiver
12 Environmental Research: Water	gold journal currently offering universal APC waiver
13 IOP Conference Series: Earth and Environmental Science	Conference proceedings
14 IOP Conference Series: Materials Science and Engineering	Conference proceedings
15 Journal of Physics: Conference Series	Conference proceedings
16 Journal of Reliability Science and Engineering	Diamond partner journal launch - open for subs in 2024
17 Journal of Semiconductors	Partner Society subscription
18 Machine Learning: Earth	gold journal currently offering universal APC waiver
19 Machine Learning: Engineering	gold journal currently offering universal APC waiver
20 Machine Learning: Health	gold journal currently offering universal APC waiver
21 Materials Futures	No OA Fees
22 Physics World	Journalistic content
23 Plasma Science and Technology	Partner Society subscription title
24 Research in Astronomy and Astrophysics	Partner Society subscription title
25 Research Notes of the AAS	No OA Fees
26 Sustainability Science and Technology	gold journal currently offering universal APC waiver
27 The Astronomical Journal	AAS titles are not included
28 The Astrophysical Journal	AAS titles are not included
29 The Astrophysical Journal Letters	AAS titles are not included

30	The Astrophysical Journal Supplement Series	AAS titles are not included
31	The Electrochemical Society Interface	Journalistic content
32	The Planetary Science Journal	AAS titles are not included
